This week, Republican leaders in Congress began following through on their threats to repeal the Affordable Care Act, which will take affordable health insurance away from tens of millions of Americans.

On January 15, rallies will be held around the country to vigorously oppose the Republican plan to throw our health care system into chaos, harm patients and the economy, and end Medicare as we know it.

Please join us in Chicago as we rally together to fight their radical proposal.

Featuring:

U.S. Senator Dick Durbin
U.S. Representative Jan Schakowsky
U.S. Representative Brad Schneider
Cook Co. Board President Toni Preckwinkle
