June 29, 2021

Hon. Chris Taliaferro, Chairman
Committee on Public Safety
121 N. LaSalle Street
Chicago, Illinois 60602

Chairman Taliaferro:

In light of the escalating and ongoing violence impacting the residents of the City of Chicago, we ask you to convene a meeting of the Committee on Public Safety to address the following three outstanding items in your committee that were introduced at the May 2021 meeting of the City Council. They are:

- R2021-524** Call for hearings on CPD's Summer Mobile Patrol Unit, Community Safety Team and reallocation of officers and resources from neighborhood districts
- R2021-643** Call for hearings on police officer scheduling, deployment strategies and programs or incentives offered to address officer fatigue
- R2021-644** Call for hearings examining success of technologies used by CPD in managing crime fighting operations and personnel shortages

Time is of the essences on these matters. We are requesting your action on these important items before the start of the Fourth of July Holiday weekend. However, if we are not able to confirm a date by today, we will be forced to file for a Special Meeting of the City Council of the City of Chicago for Friday, July 2, 2021. We await and look forward to your response.
