The revised suite of directives will be published and made effective in 2026, implementing these new procedures, upon the completion of training for CPD members on the Search Warrants suite of directives and the development and implementation of a new Electronic Search Warrant reporting application.

As part of the Chicago Police Department’s (CPD) Community Engagement in Policy Development process, draft revisions to CPD's Search Warrants suite of directives were posted on CPD’s websites for CPD member and public comment, after undergoing the required policy review process as prescribed by the consent decree (State of Illinois v. City of Chicago, Case No. 17-cv-6260). This document ([Public-Posting-Supplement_CPD-Search-Warrant-Update_12FEB25](#)) provides a summary and updates on the Search Warrant suite of directives from previous engagement efforts.
