

Dear Judge Kendall

My name is Jim Steahan, and I lived
on the Southside of Chicago my whole life

I have a wife and three grown daughters

I am writing to you today, on
behalf of Alderman Ed Burke. I am

fortunate, in that I have known him

for about 40 years. We have not

always been on the same team politically,

but working with him in city hall,

I found him to be great.

I was in the mayor's office

from 1989 until 1998, and I worked

with the Alderman and his office many times.

I found him to always be fair,
honest and thorough.

I am sure you are aware of the
Burke's association with Special Olympics.

I have been on the Board and have served
as past President of Special Olympics Chicago.

I am now the Director of Development for
this great cause.

Ed Burke has always been there
for Special Olympics. He has been fabulous
to this cause.

I really know nothing about
this case, and I sure you have
a different decision for sentencing.

I am asking you to let Alderman Burke
to come and work with me for Special
Olympics Chicago. It makes more
sense than sending an eighty year
old guy to jail. We could really
use his help, in finding support
for Chicago's 4,500 athletes. We
could keep him very busy. And
I know the Alderman would be a great
asset.

Thank you

Jim "Skinny" Skarba

P.S. I have not discussed this letter or
proposal with anyone.
